Help us put the CARE in Foster Care by providing items for children placed in foster care with Judson Center and our affiliate Child Safe Michigan.

Our foster parents are prepared and expecting children in their homes, but the initial placement of a new child can still be a difficult transition. When a child enters foster care, our dedicated case workers provide a Comfort & Care Bag to help the transition go as smoothly as possible. These bags are filled with items that help to comfort and remind the child they are deeply cared for.

INTERESTED IN DONATING TO THE COMFORT & CARE PROGRAM?
1. Contact Peggy Kerr to register your donation
2. Gather your donations and assemble your bags
3. Label your bags with a sturdy card listing age group and contents
4. Contact Peggy Kerr to schedule a drop-off of your bags

SUGGESTED NEW ITEMS FOR AGE 0-4:
- A Diaper Bag or Backpack
- Onsies & Pajamas (Any Size)
- Baby Wipes
- Bottles
- Stuffed Animal
- Age Appropriate Toy
- A Soft Blanket

*Bags are not required to have every item
